I've forwarded as requested.

I don't imagine that this changes

- a. The site tour he has requested for May 18th? (they confirmed the 18th is better than the 19th)
- b. The Tribe's recent request for the Fish and Plant data that was collected last year? (see yesterday's email)

Dear Ms. Barton,

Atlantic Richfield Company (ARC) appreciates the United States Environmental Protection Agency's (EPA) ongoing efforts to finalize a mutually acceptable schedule for completing the Remedial Investigation/Feasibility Study for the Leviathan Mine Site. Please find attached ARC's letter confirming receipt of EPA's April 4th letter.

Please let me know if you have any additional questions. Thank you.
